Sun	Mon	Tue	Wed	Thu	Fri	Sat
					1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30

When the calendar is selected you will see a calendar as shown here. The year defaults to 2011 and there is nothing on the calendar from previous years. The months can be advanced by selecting the arrow keys in the upper left of the calendar. This has been circled in red.

Use the calendar to find an unoccupied date.

Once you have located an acceptable date you are ready to sign up.

To sign up for Gate Guarding you must be logged onto the pool website with a **registered account**. If you do not see this selection, try logging out and logging back in.

If you still can't see this select, use the "Contact Us" form to notify the web technicians of the problem. Make sure you include your user name.

The web technicians will probably get back to you within a day or two to help you troubleshoot your problem.

Please note the board cannot and will not accept email Gate Guard Signups.

Login Form

The mechanism for registering account was posted on the Agualinda Members email list in April

Once you have selected “Sign up for Gate Guarding”, you will get a page with something like this. This

My Gate Guarding and Pool Parties				New
Title	Image (Optional)	Date (YYYY-MM-DD)	End Date (YYYY-MM-DD)	Action
No records were found				

box will show any scheduled gate guard duties you have previously signed up for. You can modify you signup here.

Please note that any member signed up for Gate Guarding at the General meeting **will not show up here**. Those dates were entered on the calendar by a board member and are “owned” by the board member. To change those dates you must contact the board.

To sign up for a new date, click the “new” in the upper right hand corner.

Once you have clicked “new” you should get a form similar to the one at the left.

Please be advised that anything you put in this form will be seen on the public internet.

You should put in your name and select “Gate Guard” in the “Select Category”

The date of your gate guard signup must be in YYYY-MM-DD format. A bug in the form will let you put in anything you want, but it will not show up correctly in the calendar (we’re

working on it. You can click on the little calendar on the right to bring up a graphical date date selector.

If you want you can upload a image that will be associated with your gate guard slot. It is not necessary. If you have a favorite you-tube or google video you want associated with your gate duty you can put the url in the appropriate place. **These are just little fun things you can do.**

We use the same form for Pool Parties, so you have the pool party detail box. You should probably leave that blank, but if you don’t remember that **anything you put in this form will be seen on the public internet.**

The last thing is the captcha. This is a mechanism by which we prevent hacker robots from signing up on the calendar. It will look something like the box on the left.

Simply enter the characters you see in the box and press “submit”.

Congratulations, you have signed up. You should go back and check the calendar and make sure your signup is there.

Please note you will have to refresh the page to see the proper dates in the calendar.

If you have an problems, please use the “contact us” to send a message to the board and we will try and see if we can help.
